

# M MUSKIE BOOSTER CLUB

## Thank You!

Thank you to everyone who made the Muskie Boosters Annual Cake Auction a resounding success this year. The outpouring of generosity, community support, and giving was inspiring. Our community cares profoundly about providing educational and extracurricular opportunities to our children. Your support allows the Muskie Boosters to continue to provide for our extracurricular needs, which other schools can no longer fulfill.

This year's cake auction received a record number of cakes. 105 cakes were donated this year. Several cakes were from first time participants. A total of \$32,203.10 was raised in support of 44 extracurricular groups. These funds go directly to support students in the high quality extracurricular programs at Muscatine High School. The extracurricular programs ensure excellence in education for every student. Muscatine extracurricular programs develop students into the high quality adults who return to Muscatine and give back to the community that invested in them.

We are humbled and grateful for your continued support. Again, thank you to everyone who participated in the Muskie Boosters Annual Cake Auction. See you next year. Go Muskies!

Sincerely,

  
Michael McGrory  
Principal
