MSA- For young boys and girls aged 3, 4 or 5 (based on birthdate). Each MSA session will incorporate soccer skills such as dribbling, passing, and moves into fun and engaging games that will make the kids fall in love with the game of soccer.

Champions League- For children aged 5 (based on birthdate) and older. Champions League is perfect for those players looking to refine their skills over the winter months, whilst not having to brave the elements. A form of indoor soccer, Futsal was developed in Brazil and consists of teams of up to 5 players (including GK). Due to smaller field size and harder and smaller sized soccer ball, Futsal creates an emphasis on improvisation, creativity and technique, as well as ball control and passing in small spaces. Great for all ages and skill levels looking to improve.

"In futsal you need to think quick and play quick so its easier for you when you move to normal Soccer"

Pele

All games will be at Central & Hayes School gymnasium.

*Age groups and times are subject to change, depending on number of children participating.
