Greetings 8th Grade Parents!

I would like to personally invite all of you to **8th Grade Parent Night at Muscatine High School next Tuesday, January 16th**. This event will take place from 6:30 to 7:30pm in the MHS auditorium. The purpose of this night is to provide you with important information as your child prepares to enter MHS for his or her freshman year. Our hope is that all parents of incoming 9th grade students will attend. Also, we do encourage you to bring your son or daughter with you to this event as information will pertain to both parents and students.

Among the topics discussed during 8th Grade Parent Night will be important dates to remember, course selection and scheduling, athletics and activity participation, taking college-level courses, and much much more!! Our goal for this evening is for both you and your child to leave feeling more comfortable and confident about the transition from middle school to the high school.

Additionally, starting at 7:30pm we will begin our AP Informational Night. The purpose of this conversation is to inform parents about the Advanced Placement (AP) courses offered at MHS, as well as give you an opportunity to meet some of the AP teachers. While this part of the presentation is optional, we encourage any incoming 9th grade parent/student who is interested in learning more about our AP classes to stick around for this presentation and open house.
