

Sparkplugs

is one of many great programs offered at Musser Public Library.

This is not a Muscatine Community School District publication.

It is being distributed through the school district as a community service of the district to inform you of other community activities or services available.

Musser Public Library's High Energy Literacy Program

for kids ages 4-8 plus any family members who wish to attend, lets the whole family rev their literacy engines with hands-on fun.

Early Fall Session 2016

Gridiron

*Football, football, football...
and just what is a
"gridiron," anyway?*

Thursday, Sept. 15 at 6 pm.

"Miss Nelson Has a Field Day," shows beloved teacher Miss Nelson shaping up the team as "Coach Swamp." Come join Sarah Manjoine in that role, and gear up for this six-week session of football fun at the same time.

Thursday, Sept. 22 at 6 pm.

"More Than Just a Game." Krystal, from the African American Museum of Iowa, presents on African Americans in sports.

Thursday, Sept. 29 at 6 pm.

Homecoming Parade
Sparkplugs joins the Muskie Homecoming Parade this year! Check our website for exact details on where and when to meet!

We start with a good, solid snack, enjoy one book or story, then jump into the action.

Thursday, October 6 at 6 pm.

Library Football!

With its green carpet, the library meeting room is perfect to become a football field with the help of a roll of masking tape. Come play... and enjoy the halftime show, too!

Thursday, October 13 at 6 pm.

Equipment Room

Staff from the Iowa Children's Museum help answer these questions: how does a helmet protect your head? And... can you build a helmet to protect a balloon?

Thursday, October 20 at 6 pm

Tailgating, Roman Style

Did you know that a real gridiron (for grilling) was found in the ruins of Pompeii? Erin, from the Cedar Rapids Museum of Art, will help us throw a tailgate party, Roman style, and make an "ancient" mosaic out of M&Ms.

Sparkplugs will take a two-week break and reconvene on Nov. 10
