

MHS Student Services Course Selection for 2019-2020

January 30, 2019

The course selection process for the 2019-2020 school year at Muscatine High School began on January 22nd for students currently in 9th-11th Grade. Grade level counselors at MHS started to conduct classroom visits, but weather has prohibited them from remaining on schedule.

Students will receive a Course Selection Packet during this class meeting. Included will be an MHS Graduation Plan and a Course Selection Form* (*IMPORTANT: Parents must sign this form and students will return it to their grade level counselor).

9th-11th Grade Course Selection Details:

Beginning the week of February 4th, 2019, MHS students will receive notification via email and/or Remind of their individual session with their grade level counselor. During this 10-15 minute session, students will turn in their *completed* Course Selection Form (**parent signature is MANDATORY**) and discuss a graduation plan. Parents are invited to attend, or may request a conference call from the counselor at the time of the meeting. Please indicate on the Course Selection Form if you would like a phone call and the best number to reach you. Please keep in mind that this meeting will be limited to 15 minutes. If you and/or your student would like a longer planning meeting with the grade level counselor, please contact the secretaries in MHS Student Services to make an appointment.
