The Bob Bannister Memorial Scholarship was established by family, friends and colleagues in honor of the late Bob Bannister, an active volunteer and avid supporter of the Iowa Motor Truck Association for over 20 years. Bob was known throughout the industry for his knowledge of the industry and his love of the association. This scholarship was established as a way to keep his spirit alive and honor a true friend to Iowa's trucking industry.

The Cummins Central Power Scholarship was established by an endowment from Cummins Central Power and is specifically earmarked for individuals pursuing a degree in diesel technology.

The Darryl Mason Memorial Scholarship was established as a way for Darryl to give back to the industry he loved. Darryl was a professional truck driver and a long-time participant in the Iowa Truck Driving Championships. Over the years, Darryl received numerous awards for his professionalism and commitment to safety and also earned a coveted spot on Iowa's Road Team. Darryl passed away in August 2007 after a courageous battle with cancer, and the IMCF is proud to keep his legacy alive through a scholarship named after this great individual.

The Harold Dickey Memorial Scholarship was established by an endowment from the Dickey family in honor of the late Harold Dickey, founder of Dickey Transport, Inc. and former chairman of the IMTA. This scholarship is awarded to a student from southeast Iowa. (The Harold Dickey Memorial Scholarship has a separate application – Visit [www.iowamotortruck.com](http://www.iowamotortruck.com) to access)

The Iowa Council of Safety Management Scholarship was established by the Iowa Council of Safety Management, a group of individuals committed to safety and professionalism in the trucking industry. The L.W. "Vern" Simpson Memorial Scholarship was established to honor Vern Simpson, the "father" and treasurer of the Iowa Motor Carriers Foundation as well as founder and president of Mid Seven Transportation. Vern Simpson was a valued leader and friend to the trucking industry and to the association.

The Midwest Wheel Companies Scholarship was first formed in celebration of the company's 100th anniversary in 2011 and its strong commitment and desire to make an investment in the future of Iowa. Through this scholarship, Midwest Wheel Companies (MWC) hopes to attract individuals into the field of business and ultimately the trucking industry. As one of the largest truck parts distributors in the Midwest, MWC is proud and honored to offer a scholarship opportunity to an individual who is pursuing a higher education. MWC has seven branches and serves a customer base in Iowa and its six neighboring states.

The Motor-Ways, Inc. Scholarship was established by an endowment from Pat Storey and MotorWays, Inc. Because of the company's commitment to always giving back to the association and the trucking industry, a scholarship was the natural course of action to further show their support. Motor-Ways provides a variety of insurance products to carriers of all sizes.

The Paul Crouse Memorial Scholarship was established by an endowment from the Crouse family in honor of their father, the late Paul Crouse, founder of Crouse Cartage Company and former chairman of the board for IMTA. This scholarship is awarded to a student from western Iowa.

The Towing & Recovery Professionals of Iowa Scholarship was established by an endowment in 2012 from the Towing and Recovery Professionals of Iowa (TRPI). This is a division of the Iowa Motor Truck Association which represents Iowa's towing industry. This scholarship is awarded to a student who is either an employee or a family member of an employee working for a TRPI member in good standing.

The Ziegler/Caterpillar Diesel Scholarship was established by an endowment from Ziegler, Inc. and Caterpillar, Inc. Another great supporter of the association, Ziegler/Caterpillar established the scholarship in an effort to continually invest in the field of maintenance and diesel technologies. This scholarship is earmarked for individuals pursuing a degree in diesel technology

The Quad City and Engineering Science Council Scholarship Program was established and is administered by the Council. This program provides multiple one-time grants/scholarships between \$1000 and \$3000 each for high school seniors pursuing a STEM degree at a 4 year university. These are awarded on an objective basis without regard to race, sex, or religion. Criteria include academics, civic/community service, extracurricular involvement, career goals, and an essay on why you want a STEM degree

This year we are pleased to also offer engineering scholarships from Iowa State University, University of Iowa, University of Illinois at Chicago, University of Wisconsin, Platteville, Western Illinois University Quad Cities Campus, and St. Ambrose University.

The Quad City Engineering and Science Council (QCESC) is an umbrella organization representing 36 technical societies totaling about 5,000 members here in the Quad Cities. The QCESC proudly sponsors annual events such as the National Engineers Banquet and the Engineering and Scientist of The Year Awards. We also provide judges for the local technical activities including Invent Iowa and FIRST LEGO League among other Science, Technology, Engineering, and Math (STEM)-related activities.
