

THE APPLICATION IS NOW OPEN!

SCHOLARSHIP APPLICATION LINK :

[Muscatine High School Local Scholarship Portal](#)

Muscatine High School Seniors will create their accounts using the link provided above. Their personal identification information will be collected when the account is created and will not need to be re-entered.

TIPS:

- Use a personal email address instead of your MCS D account. If you do not have a personal email address, now is a great time to create one.
- Have a copy of your FAFSA readily available to upload to your application. When uploading your digital FAFSA report, make sure to select the "PRINT THIS PAGE" option at the bottom of the report. Then save as a pdf.
 - Regardless of financial status, some scholarships will require a copy of the SAR from your FAFSA for eligibility.
- Write a personal message in the space provided when requesting teacher recommendations. You will want to ask them for their recommendation and be sure to thank them in advance.
- Answer questions completely, in complete sentences or paragraphs and with well thought out answers. The effort you put into completing your application matters!

If you have questions or need help with any portion of your application, please contact Mrs. Hawkins @ karey.hawkins@mcsdonline.org.

APPLICATIONS ARE DUE MARCH 11TH, 2021 AT NOON

You will want to complete your application well in advance of the deadline. MHS will be on spring break on March 11th.
