

# Activities on Tap: Week of March 7, 2022

Good luck to all of our teachers as you work through your Parent/Teacher conference schedule this week. May you have productive conversations that help our students and teachers finish the last quarter of the year strongly.

Not much on the Mhs Sporting events calendar this week to report on as for the most part we are in the competition lull between Winter and Spring seasons.

We do want to wish good luck to Nolan Recker, Brock Garrison and Aidan Armstrong who will be competing at the Indoor Track meet at the UNI Dome in Cedar Falls on Tues March 8.

## **Spring Practice updates:**

- Boys and Girls Track have begun and the teams are practicing daily.
- Boys and Girls Soccer will begin during Spring Break on March 14.
- Boys and Girls Tennis and Girls Golf will begin when we get back from Spring Break on March 21.

## **Please consider helping out if you can:**

- The 1st track meet that we host this Spring is our annual Girls track meet which will be on Thursday March 24. I will be sending out an email asking for volunteers to help with the many needs, but you can also send me an email if you know you will be willing to help out.

Good luck and safe travels to our Music programs and students that will be traveling to New York City over Spring Break!

Good luck to our Robotics team that will be competing in Cedar Falls at the Macleod Center on the UNI campus during Spring Break week!

Good luck also to our advisors and students that will be traveling to New York City for a Model UN conference in the near future!

Have a great week everyone! Stay positive and Go Muskies!!
