2018 COOKIE RALLY

THE COOKIES ARE COMING!

By Jessica Pierce

That's right, ladies and gentleman, it's that time. Time for Girl Scouts across town to start showing off those business skills and for your New Year's resolutions to go out the door. Girl Scout cookie season is upon us, and we couldn't be more excited!

Girl Scouts will be kicking off their cookie season on January 19, with pre-orders. This is your chance to call dibs on your favorite boxes before the cookies even get here! If you have a favorite

scout you want to be sure to order from, be sure to ask her about her Digital Cookie Site! You can order from your scout online, and pay for your cookies. You can also choose if you want your cookies shipped, or if you want your Girl Scout to deliver your cookies in person.

Starting February 23, you'll be able to purchase cookies from one of the many cookie booths Muscatine Girl Scouts will be hosting around town. Scouts will have all your favorites-from Thin Mints to S'mores-available for

purchase at various local businesses. If you need help finding cookies, you can contact Girl Scouts at:
DaisiesPearls@gmail.com

Girl Scout cookie season runs from January 19, until March 18.

ATTENTION CADETTES

Are you interensted in becoming a PA?

By Mindy Stark

Looking to take your leadership skills to the next level? PA Training will be done during the month of June here in Muscatine. Date, location, and cost information will be coming in April. If you are interested in becoming a PA and working with us at camp and service unit events you will need to complete your Leader In Action Award. Your leaders will be able to help connect you to a Brownie Troop in the Muscatine Service Unit.

Leader in Action (LiA) Awards

*Cadettes Only

*There are three different LiA awards, one for each of the Journey series

*LiA is earned by assisting a Brownie troop in completing any of the three journeys

*Girls will share organizational skills, use special talents, teach Brownies something from the journey, and reflect on the experience.

*Earning LiA is a prerequisite for the Program Aide pin

The Program Aide pin is earned by a Girl Scout Cadette who earns one LiA award and then completes a Council-designed leadership course. After completing these first two steps, girls will need to work with younger girls over six sessions. These sessions are in addition to those done for the LiA award.

Program Aide pin (PA)

*Cadettes only.

*Program Aides learn to work directly with younger girls in settings such as Troop activities, Council or Service Unit events/day camps.

To earn the Program Aide pin, girls must:

*Earn one LiA award.

*Complete a GSCCS Program Aide Core Training course.

*Work directly with younger girl over six activity sessions.
