

# FAFSA Night at Muscatine Community College

Now, more than ever, it's important for college students and their families to apply for federal financial aid. The forms necessary to do so can seem a bit intimidating but they don't have to be.

Eastern Iowa Community Colleges, in association with colleges throughout the state, will be hosting College Goal events in February to help students and their families through the process.

Financial aid specialists from the college will be available to help students complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is the federally-required form to qualify for federal, state and most colleges' financial aid and scholarships.

***The events will be held:***

- ***Thursday, February 25 from 4 - 6 p.m.***  
***Muscatine Community College***  
152 Colorado Street, Muscatine, Gaekle Hall, Room 202  
563-288-6060

There is no fee for the event, nor is there a fee for submitting the FAFSA. Everyone is welcome to attend. Participants are asked to call the college nearest them to let us know you're coming or toll free 1-888-336-3907.

Students or parents may attend individually but organizers recommend that students and at least one parent or guardian come together.

Those attending are encouraged to bring various documents with them such as their most recent tax return and bank statements. A complete list of the needed information can be found online at [www.eicc.edu/whattobring](http://www.eicc.edu/whattobring)

The statewide event helps hundreds of college students every year. Regardless of whether or not someone believes they will qualify for assistance, everyone is encouraged to apply.
