---

February 8, 2022

MHS Families,

Last November, we held an MHS Parent Meeting to highlight our ongoing efforts for school improvement. It was also a forum to ask questions about important items to you in our high school. Since that time, and held an MHS Parent Advisory Meeting that highlighted points of interest and concern.

On **February 23rd, from 5:30 to 6:30 PM**, we plan on having our second MHS Parent Meeting. During the first meeting, we offered participation through in-person attendance or Google Meet. There were issues with the Google Meet, so we may only be offering the meeting in person unless we can assure appropriate access to the meeting through the use of technology. We don't want our families and stakeholders to feel frustrated due to technology glitches. If we can figure out a way to offer the presentation virtually, without issue, we will.

The tentative agenda will be as follows:

### **Welcome/Introductions**

#### **School Highlights**

- HNI Student Collaboration
- Re-Establishment of our Annual Cake Auction - \$35,000
- Re-Establishment of our Show Choir Competition
- Our First Welcome to the HS 8th Grade Parent/Student Meeting
- Initiation of 8th Grade Student Visits at MHS in February
- Other:

### **Specialized Projects/Reminders**

- Student Support Center
- Discussion of having a more combined setting for HS baseball and softball
- A reminder that Parent/Teacher Conferences will be Virtual and are during the week of March 7-11

### **Topics of Interest from the MHS Parent Advisory Team**

- Clarification on the process of signing up for classes at MHS
- How the school will be managed if there is a shutdown related to weather/COVID/etc.
- Yik Yak App
- Teacher Attendance
- Finals Grading
- Preference to have the Semester end before Winter Break

### **Other Topics**

#### **Adjournment**

To assure that the meeting begins and ends on time, we ask that parents provide topics for consideration in advance of the meeting. If there is a topic of interest that isn't listed, please email Doreen Borde, MHS Secretary at [doreen.borde@mcsdonline.org](mailto:doreen.borde@mcsdonline.org), and suggest a topic for discussion. Our goal will be to be as informative as possible with topics of interest to our families.

Thank you for your support of Muscatine Schools. We are looking forward to seeing you on February 23rd at 5:30 PM in the Stan Howe Commons.

Go Muskies!

Mr. Hogenson  
MHS Principal
