

## Login Directions for: MackinVia

1. Go to [mackinvia.com](http://mackinvia.com).
2. Select: Muscatine High School, MUSCATINE, IA in the school dropdown Menu. The list of schools will start to pop up - make sure you choose Muscatine HS, but you can access all MCSD books from any school.
3. The username is: **4581mushs** and the password is: **mbaea9**.
4. The Mackinvia site will open and then you can search for books to read. There are also audiobooks.
5. If you want to check out a book, you need to create your own account. You should definitely do this if you may start reading a book and want to finish it later. Some books we have up to 100 copies available and some only have one copy. If you want to make sure the book is waiting for you, check the book out.
  - a. To do this, you need to create your own account.
  - b. Click the *LogIn* button in the top right hand corner. Below the username and password boxes, click where it says *Register*.
  - c. Fill out all information boxes even though the site says some are optional. It is easier for me to help you with questions if you have all the information filled in.
  - d. The next time you log in, use your user name and password right away instead of 4581mushs... You'll still need to find your campus's name first.

**IF YOU THINK YOU ALREADY HAVE AN ACCOUNT BUT CAN'T REMEMBER THE LOG IN DETAILS, send me an email - [jen.keltner@mcsdonline.org](mailto:jen.keltner@mcsdonline.org), and I'll send you the details.**
