

## LET'S FILL THE TANTARA TRUCK!

Hello Muskies! The Muscatine Community School District in partnership with local businesses is collecting needed items in a joint school-community effort to be sent to Texas for those who are affected by Hurricane Harvey!

Here is a list of different ways you can donate items for Hurricane Harvey Relief:

### **HyVee off of Hwy 61:**

Starting tomorrow, Wednesday, September 13 at 1 p.m., TanTara Transportation Company will have a semi at HyVee and will be accepting donations for Hurricane Harvey Relief! The truck will be there through the end of the day Friday, September 15th. Come out and say hi to our students and staff and help us fill the truck!

### **Muskie Homecoming Parade:**

The semi will also be part of the Muskie Homecoming Parade on Thursday, September 14. You may bring your donations to the Homecoming Parade as we will have students and staff walking alongside the truck filling it along the parade route. The Homecoming Parade starts at 6 p.m. and will travel from Grant Elementary to the high school.

### **Muskie Homecoming Game:**

Muskie Cheerleaders will be collecting donations throughout the game. Bring your items and find a cheerleader!

### **All School Buildings and the Administration Center**

All buildings and the Administration Center will be collecting donations. If you are donating cleaning supplies, please bring those items to the Administration Center so that we can keep harmful chemicals away from our students.

### **REMINDER**

The district has secured an anonymous donor who will match what is collected up to \$50,000 so if you do not want to donate needed supplies, feel free to donate monetarily. You may donate cash and/or write a check to the American Red Cross!

Per request from our Texas contacts, they are also in need of cleaning supplies. We ask that you bring those to the Administration Center to keep chemicals away from the students. The following cleaning items have been requested:

- bleach
- buckets
- dish soap
- mops
- rags
- rubber gloves
- scrub sponges

See the flyer for additional items needed!

# HURRICANE HARVEY RELIEF EFFORT

The Muscatine Community School District, in partnership with TanTara Transportation and local businesses, will be participating in a joint community-school Hurricane Harvey Relief Effort starting **September 5, 2017 through September 15, 2017!**

This relief effort is a coordinated effort through local family ties in the affected area, along with the Houston Catholic Charities, who are working to distribute collected items to those in need after Hurricane Harvey.
