

MHS Students,

Counselors will be in the office this week (6/1/21 - 6/4/21) to answer any questions you may have. Please note that if you are interested in seeing Mrs. Hawkins to sign up for an MCC course(s) it would be beneficial to get this done prior to the summer break. The calendly link to make an appointment with her is listed here: <https://calendly.com/karey-hawkins/15min-1?month=2021-06>

Throughout the summer counselors may be available via email. Counselors will return to the Muscatine High School Student Services Office on August 9th.

In regards to schedules for the 2021-2022 school year, there are still changes being made. We anticipate them being available to students later this summer. Please keep in mind that changes to schedule requests are limited.

Acceptable reasons for schedule changes may include:

- Computer input error
- Scheduling conflicts
- Failure or near failure in a previous semester or year course
- Failure to meet a prerequisite for a course
- Teacher and administrative recommendation
- Successful completion of a summer school class
- Change in post secondary plan
- A Work Based Learning job placement

Changes to course requests will NOT be made for the following reasons:

- To accommodate a job schedule
- To change teachers
- To change classes to be with friends
- To have first or last period free
- To accommodate a change of mind

Please note the following changes that are occurring within Student Services:

- Mr. Welsch will be moving into the School to Work Counselor role and will be assisting students with career experiences.
- Ms. Wolfe will be taking over the Class of 2023. Mr. Welsch will work closely with Ms. Wolfe to make sure there is continuity in the transition.
- Ms. Russell will be moving from the At-Risk counseling role and taking over the freshmen Class of 2025.

Have a safe and relaxing summer,
