

MHS Yearbook Pickup Information

Dear MHS Student and Families,

If you purchased a MHS yearbook, there will be summer distribution dates in early August 2022 and students/families will pick up their yearbooks near the Commons Entrance at the High School. Families will be notified via email, a school messenger, and postings on MHS, District, and Auroran social medias. Yearbooks not picked up at the distribution dates will be available for pickup in the Attendance Office once school is back in session.

Once a printing and shipping date is confirmed by the printing plant, more details with exact dates and times will follow and be publicized via email, school messenger, and school social media.

Why the change to a fall book?

- 1) Removes the need to provide a supplement that would be picked up in the fall anyway by students
- 2) Allows for the Yearbook to feature all spring sports, spring musicals and performances, Prom, Graduation, Senior Sunset, and Senior post-secondary plans, plus summer sports
- 3) Extends the deadline to order for families
- 4) Extends deadlines for Senior Portrait and Baby Ad for Grads submissions
- 5) Although slightly inconvenient for graduated Seniors, Seniors benefit the most from the change because of the extra coverage to highlight their final year at MHS

Is there a waiting list?

No, but we can sell in-person with cash or a check of \$56 during a scheduled pickup date or at the start of the next school year. It is on a first come first serve basis, so it is in your best interest to show up to the earliest pickup time that gets publicly communicated.
