ABC Fundraiser

Several years ago, players sold cards that helped to raise money to a point where we have not had to do additional fundraisers since 2013. We have reached a point where we feel it is necessary to do an additional fundraiser. We hope to have the cards the first day after spring break. We will hand out cards to boys and girls on the same night and we will conclude the sales for both groups at the same time.

If you have a business that would like to be a part of our discount card, please speak with Matt Green. Our goal is 1320 cards which is about 10 cards per player.
