

In honor of **National Apprenticeship Week 2022**  
Please join the Alliant Energy IPL Technical Training Team  
for the presentation:

## “Apprenticeships 101” and Technical Careers in Alliant Energy

**When:** Wednesday, November 17, 2021

**Time:** 10—11 a.m.

**Where:** Online

**Watch:** In a classroom setting or individually

*Link to the presentation will be sent upon request*

**Email:** [loriwildman@alliantenergy.com](mailto:loriwildman@alliantenergy.com) for the link

Information on the 2022 online high school program

**“Introduction to Energy Basics”** will be discussed

*This program also includes paid summer 2022 internships for high school juniors/seniors. Pictured are some of the summer 2021 high school interns.*

**There will be time for questions**

Hope to “see” you November 17!
