Muscatine Community School District
Physical Plant and Equipment Levy
Special Vote - September 13, 2016

The Muscatine Schools' Board of Education has approved bringing to the voters a special vote to continue the Physical Plant and Equipment Levy (PPEL). This Levy has been in effect for over 30 years in the Muscatine Schools and has helped to fund infrastructure projects such as the new Jefferson Elementary and the new wing at MHS! (The current PPEL will expire in 2020.)

To hear more about PPEL and its significance to the Muscatine Schools and its students, come to one of two Community Forums!
