

Dear Parents,

As our students will be doing more learning at home, we thought you might like a reminder of the username/password that students use to access quality **FREE** digital content at their home school.

Students and teachers are familiar with these vetted, age-appropriate and high-quality digital resources provided by the Iowa Area Education Agencies and use them in their daily work. There are read-aloud ebooks, ebooks, digital audiobooks, video, encyclopedias, articles, newspapers, and more for our youngest and oldest learners.

You can access these databases by logging into **individual databases** via the [Mississippi Bend AEA](#) website using our building's unique login and password below. The website allows you to view content specific to PreK-5 and 6-12.

**Username:**

**Password: mbaea9**

Below are the types of statewide databases available and age recommendations:.
