

The Tippie Gateway Program is a six-day residential program for students interested in studying business at Iowa – in the hopes that you will share this information with your students.

The Tippie Gateway Program is intended for **high school juniors**. The program is in the summer between the students junior and senior year. Preference will be given to applicants from **populations under-represented in business including minority, low-income, and/or first-generation**. We will select 45 students to participate in this scholarship-funded program. The only cost for participants is their travel to and from campus. You can see a preview of our program by watching this video: <https://www.youtube.com/watch?v=0nswvYPj-bo>
