

## Young Women in Leadership Conference - March 4, 2020

My name is Hailey Huggins and I am a 2017 graduate of Muscatine High School. I am currently a junior at the University of Northern Iowa. Throughout my time here, I have become heavily involved in the student organization Women in Business. I currently serve as the Chair of the Young Women in Leadership Conference. This is a conference that will be held at UNI on **March 4, 2020**. The goal of this conference is to provide high school women with the opportunity to learn how to become an effective leader through a variety of speakers and interactive activities throughout the day.

I have been planning this conference for months and have a goal of 250 high school women from across the state of Iowa to attend. It would mean so much to me if a group of women from MHS could come up for this event. Anyone is welcome, whether interested in pursuing business as a major or not. Our goal is to provide leadership experience. The day will run from 8 AM - 2 PM and will include several speakers, lunch, a t-shirt, and an optional campus tour.

The cost of attendance is \$15 per person. Students can either sign up individually, or sign up as a group and pay with a purchase order if this is something the school would cover the cost of. Here is a [link to our website](#) with more info and how to register. I have also attached the schedule for the day.

Please let me know if you have any questions! I appreciate your time and would love to provide any mentorship towards students at MHS.
