The Muscatine High School Cheerleaders invite all Kindergarteners through 8th graders to participate in our annual Little Muskie Cheer Clinic. If you enjoy dancing, being loud, and basketball, come join us for a day of fun!

Participants will learn the skills and fundamentals of cheerleading, including: jumps, stunts, and cheer motions. They will be taught three cheers and a dance that will be performed during the halftime of the Varsity Basketball game on Friday, January 26th.

Participants will also learn how to show good sportsmanship and show positive spirit for the team they are cheering for.

Sarah Siler Photography will be there during registration to take individual photos of each participant. If you are interested in buying pictures, you can find pricing and the order form here:
